

CASEY'S PLACE NEWS

Casey's Place Volunteer Day, April 4, 2004

Casey's Place Animal Sanctuary, Inc.

Mission Statement:

Casey's Place Animal Sanctuary, Inc. is a non-profit organization dedicated to providing refuge and compassionate care to abandoned, abused, injured or sick animals while working to find them loving new homes. Our secondary intent is to help people gain greater empathy and respect for all life by providing learning opportunities through trusting interactions.

Welcome to the first edition of the Casey's Place Animal Sanctuary newsletter! Although we are not yet officially open, we wanted to keep you informed of our progress. We are now incorporated and in the process of applying for our 501c3 tax exempt status so we can get about helping some (more) critters.

On April 4, 2004 we had our very first volunteer event at Casey's Place. The 14 hard working volunteers pictured above (Carrie Ann is busy taking our photo) finished clearing and fencing two pastures to make them safe and sound for the animals. Thanks to all who have been "digging deep" and giving generously with supplies, labor and funds.

Our web site is under construction - look for us on the web in August at www.caseys-place.org. We are planning another volunteer event for September to continue the re-fencing work plus other chores. Stay tuned for more information, including how you can help!

We've had a few furry friends that didn't realize we aren't quite officially open, they must have seen the Casey's Place sign out front. Thanks to some hard working volunteers, Amber, Edith and Van Gogh have all been placed in new loving homes. Below is a picture of our new friend, Indy. He's a Quarter Horse who has seen some really tough times. With loads of TLC, his sparkling, warm personality is shining through and we'll be ready before too long to find him a wonderful new home.

Indy

Thank you all for your continued support,

Debra McPherson

Casey's Place Wish List

We can always use kind donations of financial support and the following:

- Horse feed
- Hay
- Lead ropes
- Sturdy buckets
- Halters (break-away only)
- Fencing materials
- Professional volunteer help to oversee fencing and construction projects

Casey
