Happy Holidays from all of us at Casey's Place Animal Sanctuary!

We have some exciting news! Casey's Place is a proud member of the newly formed Coalition for Animal Welfare/West Central Florida, Inc. The Coalition was founded in July, 2005 and is made up of non-profit organizations whose mission is to "Work Together to Save and Improve the Lives of Companion Animals." Member organizations include Casey's Place, Compassion Spay and Neuter, Greenman's Glen, Hernando County Animal Services, the Humane Society of the Nature Coast, PetLuv Non-Profit Spay/Neuter Clinic, and the SPCA of Hernando County. The Coalition is focused on the following goals:

1. An effective spay/neuter program to reduce the overpopulation of animals
2. Education of the public on topics relating to animal welfare
3. Stopping animal cruelty and abuse
4. Disaster relief

Our first project was a very successful donation drive for the victim's of Hurricane Katrina. We are looking forward to many more events in the coming New Year and beyond, of course we'll keep you informed!

WE SURE COULD USE SOME WOOD!!

Our top priority this month is to get that barn finished for the winter. The needed wood is on our Wish List – once that is secured we will set the date for our next volunteer day. We hope you will be able to join us! We really do have a good time, and it's always great to spend a day in the country. The fencing materials are just as important, we need to make the entire property safe and secure to enable us to take in more animals.

In other news, stay tuned for more information on the First Annual Casey's Place Golf Tournament! We are working with Tedesco Sports Marketing to plan a really fun event for May, 2006. We'll get you the details as soon as possible.

A reminder - when you are holiday shopping for the horses in your life or anytime, please remember that Casey's Place is participating in the Country Care program with Country Supply. They have great products and prices, and will donate a percentage of every purchase placed with www.countrysupply.com where the Care Code "Casey's Place" is used at check out to Casey's Place Animal Sanctuary.

Many thanks to all for your kind donations and hard work over the past year! Best wishes for the New Year!

Debra McPherson
Executive Director
