Our newest resident, Jimmy on  
the day he arrived at CP.

Jimmy, one month later, looking  
much better!

Welcome to another edition of Casey's Place News! We've been busy at CP and have good news to share. In the last few months, Cupid, Vixen, Peace, Bono and Rocky have all been adopted out to wonderful, forever homes. We miss them all, but are very happy they have recovered so well and have a new lease on life. Peace gave birth to Cody on May 1, with several CP volunteers on hand to witness the big event. He is healthy, adorable and will be available for adoption in a few months.

Meanwhile, we have some new equine friends, including Jimmy and Handsome. Jimmy is our most recent arrival. He is 22 years old, and a wonderful horse. A former champion, he found himself left alone in a pen without anything to eat. Thanks to some great work by Casey's Place volunteers, Jimmy is now safe and happy at CP, and has already gained over 100 lbs. Jimmy will be with us for a while as his recovery will take some time.

Handsome came to Casey's Place in August. He is a 2 year old gelding with a spunky personality. His family could no longer care for him and reached out to us for help. Handsome is doing very well and is looking for his new, forever home.

More good news, the Suncoast Trail Riders have selected Casey's Place as the beneficiary of proceeds from their October 26, 2008 Poker Ride at Lake Panasoffkee! This event will include a horse/rider costume contest, door prizes, raffle, apple bobbing and lunch, all included in the entry fee of \$5.00 for members/\$10.00 for non-members. You can help us by riding in the event, or by donating items for the raffle. For more information, visit the CP web site or Suncoast Trail Riders at [www.flahorse.com/suncoast](http://www.flahorse.com/suncoast).

The Second Annual Golf Tournament was a great success, thank you to all who participated. Thanks also to those who participated in the January Volunteer day. Special thanks to all of the Casey's Place volunteers for the hard work they put in to make saving these horses possible.

Please visit our web site to see pictures/video of our new equine friends, horses available for adoption, current residents, golf tournament news, poker ride information, volunteer events, etc.

Casey's Place is an all volunteer organization and your kind donations are spent directly on the food, supplies and medical care for the animals. While our "Wish List" is always available on our web site, **right now we sure could use help with fund raising and financial donations to fund the rehabilitative care of these horses. Due to the current economy, we are getting calls and emails on a daily basis, asking us to take in more horses that can no longer be cared for at home. We must raise money to be able to continue bringing these horses to CP.** We can always use more volunteers to help with horse care, adoptions, volunteer work days and other tasks. Please contact us if you are interested in volunteering. Donations can be sent to our P.O. Box or we now have PayPal available on our web site. As always, we appreciate your support.

Many thanks to all for your kind donations and hard work!
